Miss Kate Verser, one of Farmville's fairest daughters, had command of these impromptu soldlers and handled them with the skill of an accomplished cap-lrain and the grace of a true woman.

EXOITING CONTEST.

One of the most exciting contests of the function came to the front when it had to be determined by vote who was the most popular and prettiest girl in town. The battle of ballots waxed warm and furious and when firing ceased and the smoke of the engagement cleared, it was announced and received with most vociforous approval, that Miss Bessie Martin, of Farmville, had been declared the most popular; and Miss Albertha James, of Washington, D. C., a student at the State Normal School, the most beautiful.

These verdicts were rendered amidst intense excitement, but now that the calm has settled upon Farmville again, they have been ratified by popular approval.

The whole amount realized from the entertainment, amounted to the snug sum of nearly one thousand dollars.

The Farmville Silver Band was in attendance each evening, and discoursed sweet music, which was greatly enjoyed by the crowds in attendance. A fancy
